 - **HOLA-LMSA**
 - We keep bringing back clubs but they don't get enough people so then they get shut down again
 - Would be really cool to bring them back if they could get enough people to keep the club going after this exec team leaves
 - This was already an established club at one point and this is a national organization so this specific club is not as much of a concern but we still need to make sure they stay active
- 3. **Marissa Coutinho**
- 4. **Marissa Viola**
- 5. **Haley Williams**
- 6. **Diamond Northington**
 - **Diversity Day moved to the spring**
 - No food allowed right now whatsoever per LMU administration
 - Timing is also difficult this week and next with our schedules so easiest just to move it to the spring
 - **Movie night is still on**
- 6. **Garrett Shields**
 - **OPP department seems to be more a power struggle than a concern for our education**
 - **Multiple emails just this week alone from Dr. Coppinger is enough evidence to bring this concern to Dr. Kessler**
 - **We need to bring this to the Knoxville campus too since they deal with him more on a daily basis**
- 7. **Anthony Carbone**
- 8. **Taylor Mayes**
 - **Met with Morgan Cowan for first years but no one showed up**
 - **Meeting with Caleb and DCOM Strong to talk about mental health week**
